

KINESIOLOGY PRACTICUM DESCRIPTION

Practicum Position Title: Physiotherapy/Kinesiology Assistant

Agency/Company: LifeMark Physiotherapy Aspen

Location: Suite 225, 339 Aspen Glen Landing SW, Calgary AB

Terms Available: Fall, Winter, or Spring

Number of Positions: 2

Specified Schedule: Within Monday – Friday (7:00am – 9:00pm) and Saturday (9:00am – 3:00pm)

Project Duties/Responsibilities:

The LifeMark Physiotherapy Aspen clinic comprises a dynamic team of highly skilled professionals to serve our clients' rehabilitation needs. Our friendly atmosphere and team approach encourages the clients to fully participate in their recovery. Our clients can expect education about their particular problem, specific and monitored exercise relating to their needs. Clients receive customized rehabilitative programs for motor vehicle injury, arthritis, repetitive strain, women's health, sport and work related injuries, chronic pain and a variety of other conditions.

Practicum students will:

- · Assist Physiotherapist with preparing and applying hot and cold packs
- Assist Physiotherapist and Kinesiologist with the set-up, application and removal of modalities including: hot and cold packs, ultrasound, Transcutaneous Electrical Nerve Stimulation (TENS), Neuromuscular Electrical Stimulation (MNES) and Inferential Current (IFC).
- Under strict supervision, interact with clients and assist Physiotherapist and Kinesiologist with the prescription, application, supervision and education of client's exercise program which will include stretching, range of motion, proprioception, coordination, balance, posture training, strengthening, return to work and sports rehabilitation
- Assist Physiotherapist and Kinesiologist in the development of exercise and therapy programs so that a patient can use them in the most appropriate settings such as their office, home, work or a gymnasium
- Have guided observation of a practicing physiotherapist, observing assessments and hands-on treatment including acupuncture, IMS, Graston, active release therapy, joint mobilization and traction.

Required Student Qualifications:

- Completion and excellent recall of KNES 259/260 (Human Anatomy and Physiology)
- Current CPR and First Aid Certification

Assets:

• KNES 373 (Exercise Physiology) an asset

On-Site Supervisor: To be determined. Contact Kalie Reimer, BScPT, kalie.reimer@lifemark.ca

Kinesiology Practicum Application

Placement: LifeMark Physiotherapy Aspen

Students must have 60 units completed to qualify for a practicum, including 30 units of KNES Students may participate in up to three practicums, with no more than two at the same location
