

KINESIOLOGY PRACTICUM DESCRIPTION

Practicum Position Title: Health Promotion Assistant

Agency/Company: Ever Active Schools

Location: Practicum work will be located both on campus and varied locations in the Calgary community.

Terms Available: Fall and Winter

Number of Positions: 1

Project Duties/Responsibilities:

Ever Active Schools is a provincial organization that works to assist schools in Alberta to create and sustain healthy school communities. *Ever Active Schools* contributes to the healthy development of children and youth by promoting a comprehensive school health (CSH) approach that ultimately supports students to identify and apply life skills through personal growth and wellbeing. They are a connecting point for school health in Alberta, fostering partnerships among community, schools and other provincial stakeholders to enable effective, coordinated action.

This practicum provides an opportunity to experience and apply knowledge in school wellness and health promotion, and gain knowledge and training in a number of *Ever Active Schools* projects. Throughout the term, the student will be responsible for:

- Developing an understanding of the principles and strategies of healthy promotion, the four pillars of Comprehensive School Health and how our projects fit within these frameworks.
- Organizing meetings, networking and developing relationships with key stakeholders.
- Promoting *Ever Active Schools* projects and assisting with developing print materials.
- Assisting with the planning and delivery of workshops and writing grant applications.
- Supporting provincial initiatives in building healthy school communities.
- Attending team meetings internally and with our provincial stakeholders, allowing the practicum student to become familiar with organizational and provincial structures for school health.
- Gaining knowledge in a number of the *Ever Active Schools* projects, and large event planning that supports Comprehensive School Health, 21st Century Competencies, Physical Education, Daily Physical Activity, and supporting Positive Social Environments within Schools/School Districts as time permits.

Specific skill areas to be learned/developed by the student are:

- Community development
- Program planning and evaluation
- Strong oral communication
- Social media coordination
- Working on collaborative, interdisciplinary teams
- Knowledge on fundamental movement skills, current physical education curriculum, Ministerial Order on Student Learning 21st Century Competencies
- Leadership and facilitation
