Terms Available: Fall or Winter

Number of Positions: 2-3

Specified Schedule: Minimum two evenings a week (1.5-2 hours) and Sunday from 1:00pm – 3:30pm

Project Duties/Responsibilities:

Just Keep Swimming teaches kids and youth with neurological or developmental disabilities to swim confidently, play safely and exercise comfortably in the water. Lessons are about celebrating each child's unique abilities while boosting their confidence and self-esteem so they look forward to swimming time, enjoy the learning process and are proud of their accomplishments.

Practicum students will assist children with mild to moderate neurological and development disabilities to become comfortable in the water and ultimately swim confidently by:

- Demonstrating a wide variety of swimming skills and techniques 1:1 in the water to suit each child's specific needs and learning abilities with the assistance of lead instructor. These skills and techniques will include:
 - Teaching breathing skills above and below the water (big bubbles, small bubbles, fast bubbles, slow bubbles).
 - Finding what the child likes (animals, superheroes or characters) and demonstrating these actions related to swimming skills to encourage engagement; creatively explaining arm strokes. For example, your front crawl arms make rainbows as they spin out of the water.
- Engaging swimmers by leading new, active learning games and exciting adapted skills in the water.
- Assisting in the organization of full camp day events (swimming, rock climbing, gymnastics, indoor picnic).
 - Assisting in organizing theme days: Halloween swim, Family Fun swim, Christmas swim, March break swim.
 - Assist in creating a day plan of activities for children and families to participate in.
 - Attend scheduled bi-weekly 30-minute meetings prior to swim lesson times to brainstorm, share and plan.
- Creating a positive learning environment by encouraging swimmers in the water and by providing constructive feedback and skill development individually when comfortable and confident to do so.
- Ensuring safety of the children and adolescents in the water during lessons through constant supervision.
